

Product Overview:

Poly Meter Cover

Protect your meters and register heads from harsh elements during day-to-day operations!

Stronger, more reliable, and more cost-effective!

Replace your aluminum and stainless steel covers with one that's more dependable – one that won't corrode. Only at IPS can you get a longer lasting, less expensive cover for your meters. Our Poly Meter Cover is...

- Made with medium density polyethylene
- Crack resistant to -40 degrees
- Heat resistant to over 150 degrees
- Rust resistant
- Available in white, red, blue, and grey
- Built using stainless steel fasteners, paddle latch, and door holder
- Easily mounted to your bobtail deck over any meter/register head combination

Want to know more? Give us a call. Let our professional service team help you make the switch from rusty meter covers to an IPS Poly Meter Cover!
