

The Hose Hook

The #1 tool for #2! 🍌

The more sanitary way to handle your bobtail hose!

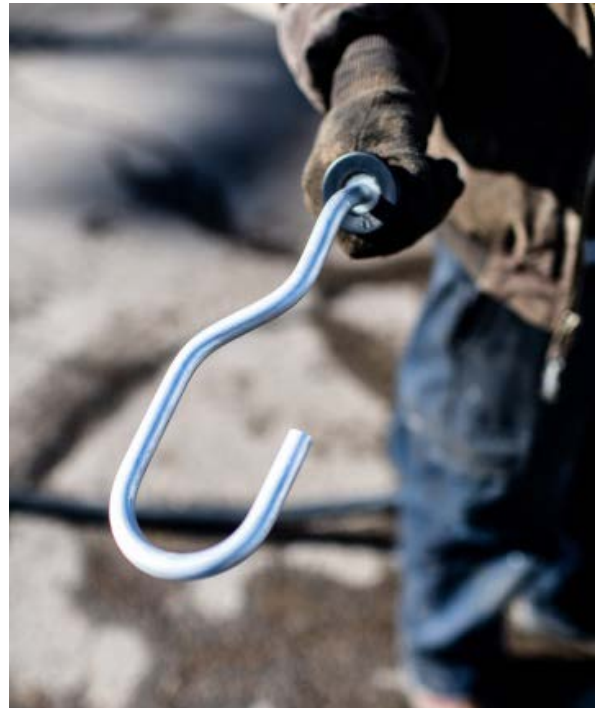

Keep your hands clean...

While reeling in the hose on your bobtail, there's always a risk of soiling your hands or gloves with whatever the environment may throw your way. Including:

- Snow
- Mud
- Pet feces
- Horse and other animal droppings
- Rodent and animal remains

Our proprietary Hose Hook offers you:

- "No touch" hose take-up operation
- Ease of use...and durability
- Smoother hose take-up on your bobtail reel
- Cleaner hands - free from mud, dirt, grime, chemicals, and animal feces
- An inexpensive, more sanitary way to get your job done!
